

BUILD LEBANON TRAILS WORKDAY

PUBLIC INVITED

Please join Build Lebanon Trails on Saturday, February 18, 2023 from 9:00 – 11 am. Meet in the Gills Landing parking lot and arrive, if possible, before the 9 am start time for instructions and signing in. We will be removing invasive growth and clearing paths on both the Old Mill Trail and the Eagle Scout Trail. Loaner tools and work gloves will be available onsite. However, if you have loppers, hand saws, hatchets, or rakes please bring them along. Wear appropriate clothing and shoes.

Build Lebanon Trails will be hosting five separate workdays during the 2023 calendar year. These workdays are critical to perform the necessary maintenance required along the trail system. Build Lebanon Trails appreciates and needs help from the public at these workdays, so we are able to keep the trails in good condition.
