Please join Build Lebanon Trails on Saturday, April 22, 2023 (Earth Day). We will be spreading mulch at the above three locations. Ralston Park will serve as the staging area. **Anybody who is able, please bring a wheelbarrow as we will be moving mulch from large dump piles to distribution areas at each location.** Other tools needed are scoop shovels and garden rakes. Rain or shine, wear appropriate clothing and shoes.

Build Lebanon Trails (BLT) is hosting five separate workdays during the 2023 calendar year (see below website for details). BLT appreciates and needs help from the public at these workdays, so we are able to keep the trails and parks in good condition.
